World Missions Bearing
Precious Seed

Dear Pastor and Prayer Partners,

Your prayers and support have been greatly appreciated since our last prayer letter.

The container of scripture we shipped in March has arrived in India and has already been passed out. The second container is to arrive the first part of June and is already designated for a specific area in India.

I had not planned on taking a trip to India this June but please pray for Bro Banuel as his eye sight has been se-

verely impacted by diabetes as well as his health. Because of this I am going to India and help my dear friend return to the U.S. for meetings. I will be departing June 8 and returning with Bro Banuel on June 17. Please pray for his eye sight to return as well as the fluid build up in

the eye to return to a normal level.

The first part of May we delivered scriptures to the seedline churches in Tennessee and Georgia. It was a blessing to work with Old Suwanee Baptist Church on their first night and see their excitement with the ministry. We pray that they see souls saved due to their efforts.

We want to say thank you to all those who have given used Bibles and even funds for new study Bibles for Guyana and Africa. These two countries are seeing souls saved and men surrender to the call of pastoring churches. They greatly appreciate the Bibles and treasure them. Your support to make this happen is truly “laying up treasures in Heaven...” Souls to your account.

We will be shipping 150,000 French Bibles to Africa. I was approached in January requesting Gospels for Togo West Africa. 75,000 will be shipped by the end of June. Pray they arrive safely and without issue at the port. Brother Emmanuel was excited to have met us at a church planters conference in OKC. We are glad to help these mission outreach

churches with the “tool” required for the work.

I have talked to several national pastors in the last two months from various countries in Africa. I have verified the work they are doing is sound

and praying we can send them scriptures in French and English for the work they are doing. It is great to find men desiring The Word for the people they are trying to reach. Pray that souls will be saved and that the Truth of God’s Word will keep them away from Islamic influence that is sweeping across Africa.

Your faithful prayers and financial support has been a vital part of reaching the World for Jesus Christ! Thank you and we look forward to what God has in store for us.
