Praise and Prayer Report-July 2017

God has given us a wonderful summer. We have been in churches in Michigan, Ohio, Pennsylvania, and New York. God has given us two new supporting churches since our last prayer letter! To God be the glory! We can't thank Him enough for His faithful hand upon our ministry of reaching the lost with the Word of God, and preserving the King James Bible for my grandchildren and the next generations!

In the late 1980's, after several years of raising thousands of dollars for Scriptures to be sent overseas, the Lord impressed me to begin producing top quality leather Bibles. My flesh did not want to do this because of the huge responsibility and the greatness of the task. But, God began with a couple of churches in the great Northwest getting behind it and giving \$1,000 each. We began buying "raw book blocks" from Oxford press and having good quality covers put on them. Years later, we bought that bindery and are continuing the production of hand crafted King James Bibles, and by God's grace, folks around the world are being blessed, as well as my now "great" grandchildren. (Keep checking our website for new styles of Bibles in the next couple of months, for His Glory!)

THANK YOU to all who have sent used Bibles. THANK YOU to all who have sent money for paper to print Scripture portions.

This excerpt came from a missionary in Zambia who received some of those Scriptures from our last container sent!

My heart is FILLED to overflowing!!! As many of you know, we have been diligently going house to house in our "Jerusalem." The Lord wonderfully provided 271,000 John and Romans through World Missions Bearing Precious Seed. I received a call this week from one of those, and I went this morning to meet with Mr. Michael Mulenga to his little concrete block house to begin the Bible Study.

We had a time of serious prayer before setting out. Only God can reach a heart and convict of sin, righteousness and judgment. After we entered the house, he pulled out the John and Romans that one of us had brought to his house last Saturday from under his homemade couch cushion where it was stored to keep it safe! We spent almost four hours with him, his Aunt, and also his wife Bridgette who had joined us towards the end. My heart is so full, but I'll try and summarize. We could literally SEE the Word of God bring conviction to Michael's heart. After covering Romans 3:10, James 2:10, Isaiah 64:6, Eph. 2:8,9 and other Scriptures...it clicked and he gravely asked, "Who then can be saved?" He got the "Bad News" very clearly. We excitedly told him that this was the reason and need for Grace and the "Good News" of the Gospel! We then carefully worked through Romans 3, 10, Rev. 1:5, and many other passages as well. It was precious when Michael asked, "So what can I do?" (Meaning to receive Christ.) We covered more Scripture to give him a Bible answer, including showing him from II Cor. 7:10 that godly sorrow is what works repentance unto Salvation. Michael seriously, emphatically and clearly stated that he wanted to submit to the Righteousness of God and trust ONLY in the finished Work of the Lord Jesus Christ through His shed Blood. We then had the privilege of hearing him cry out to the Lord to save him, and that he was giving his life to Christ and trusting ONLY in the Blood of Jesus Christ to save him and not his works! Only God can see the heart, but he immediately began asking about when our church services are (it's probably a 35-40 min walk away), said he's coming tomorrow to Thur. Pm Bible study, talked about how he's NEVER heard these things before, and how his neighbors need to hear and be given these Truths as well! He had such joy and excitement...God worked mightily today.

Pray for Zambia, the missionaries, and Michael. Consider what you can do to multiply the "Michael's" of this world a hundred fold! "...by the scriptures...made known to all nations for the obedience of faith." Romans 16:26

As always, feel free to call me at any time on my cell-517-282-0836.
