Fall Report 2018

Reaching Multitudes with the Gospel through the Printed Page

www.worldmissions.org

New Equipment

We want to thank Gordon Food Service of Grand Rapids, Michigan for donating a like new Bourg Perfect Glue Binder to World Missions Bearing Precious Seed Ministry. This machine was delivered to one of our Seedline churches, Crossroads Baptist Church in Girard, KS. Crossroads Baptist Church has volunteered to operate this Glue Binder for future books, John and Romans and New Testament projects. This will further our outreach for prison ministries as many prisons will not allow stapled booklets in their facilities. It will also increase our capabilities for the mission field and churches across the United States in reaching souls with the Printed Page.

Seedline Work

247,598 John and Romans on it's Way to India!

As part of our home church's missions conference in October we loaded 1,098 boxes containing 247,598 John and Romans. This shipment also contained 27 boxes holding 124,000 tracts.

Please pray for the churches who will be distributing the Scripture and for those who will be receiving them that many will come to the saving knowledge of Jesus Christ!

Thank you to the many churches who gave, printed, collated, stapled, cut and boxed these scriptures and tracts to make this shipment all possible!

This is container no. 62!

Every container is prayed over and dedicated to the Lord. God already has a name on every single John and Romans!

Bibles for Africa

What a blessing it is to work hand in hand with the Deneau family and Church Bible Publishers.

We were delighted to meet Bro. Rob Deneau in Grand Rapids, Michigan where he gave us a hand loading the new Bourg Perfect Glue Binder. Bro. Rob also delivered thirteen boxes of whole Bibles provided by Church Bible Publishers. Some of these Bibles were purchased by churches and individuals through the "Bibles for Africa campaign".

We already have some of the Bibles promised to Pastor Mark Hiltibidal in Raleigh, Illinois who works closely with missionaries and national pastors in Uganda. We are also working to send some of the Bibles to the Philippines.

If you are interested in helping provide whole Bibles for missionaries and national pastors in Africa, donations can be given online at www.churchbiblepublishers.com or sent to Second Baptist Church, P.O. Box 88, Festus, MO 63028. Please designate *Bibles for Africa*.

News From the Mission Field

The following was taken from an update from missionary John Shrader in Zambia. We have also included pictures of Bro. Shrader and the church in Zambia handing out the John and Romans that we printed, collated and shipped to him. Please pray for the work in Zambia and the many surrounding villages that they will continue seeing the fruits of their labors. The whole Bibles that are given to such people as the village Chief (in the picture to the bottom right) and to many national pastors are provided by churches and individuals who have given to the Church Bible Publishers and World Missions Bearing Precious Seed "Bibles for Africa Fund". Thank you to those who have made this possible!

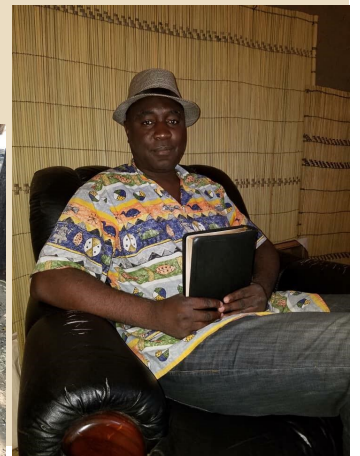

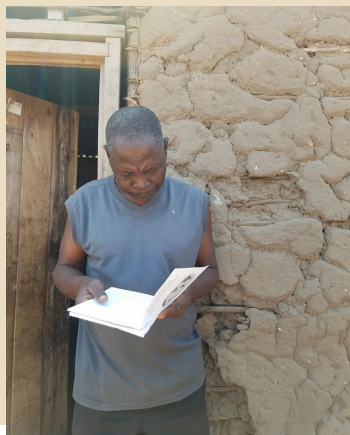

We made it safely to Mongu yesterday, had a great service, then on to Sioma to the Barotse Royal Establishment to see Senior Chief Lukama, IV.

We had a wonderful time this afternoon with the Chief, presenting him with a leather bound "Church" King James Bible, which was kindly sent to us by Bro. Samuel Martin. He was very touched and grateful. He has a clear testimony of salvation, and God is opening an Amazing Door here through him in two districts!

After spending several hours with the Chief today, during which time we discussed a plan to preach and reach the village here where his palace is, then on into Sioma and Shangombo districts, we then were able to start sharing the Gospel with the Chief's nephew, who is like an assistant to him.

Please pray for Sifuniso (See-fu-nee-so), that God brings true conviction. He had to go, but wants to continue the Bible study tomorrow.

- John Shrader, Zambia

Samuel Martin Update

“Many things about tomorrow, I don’t seem to understand. But I know who holds tomorrow, and I know who holds my hand.” Wonderful words from a hymn that I often love to sing. I certainly know that the Lord is leading, guiding and directing this ministry and your efforts as we partner together in getting scripture to the mission field. I also know that God’s Word will not return void as I receive reports from the mission field of those who have been saved and of men surrendering to pastor churches in villages which didn’t have the Gospel prior to the scripture arriving.

Barbara and I were able to spend a little time with our daughter, Lynelle and family in South Dakota during the month of September. My how our five grandkids in South Dakota are growing and changing! Time passes so quickly.

During our time in South Dakota we presented the ministry to a new church and I was also able to deliver a hydraulic paper cutter to two of our Seedline churches in Sioux Falls and Elkton, SD. The hydraulic cutters replaced some very old manual cutters. I’m sure this will greatly help these two Seedline churches.

We departed South Dakota the end of September and picked up a Bourg Perfect Glue Binder machine in Grand Rapids, MI that was given to the ministry. Praise the Lord! We then delivered the glue binder to a Seedline church in Kansas so it can be setup for binding John and Romans booklets. The glue binder will help further our outreach for Prison and Jail ministries as many of the prisons and jails will not allow stapled books into their facilities. We are so thankful for this capability and look forward to what the Lord has in store for this expansion of the ministry.

On October 8th, unfortunately, a tow truck pulled out in front of me as I was on my way to deliver a cargo trailer full of John and Romans covers. This resulted in me totaling our 2016 F450 truck. Praise the Lord I was not injured in the accident and Barbara was not with me. However, this has certainly set me back on delivering scripture to our Seedline Churches. Please pray that I can get the insurance settled quickly and a replacement truck so we can keep things going. We have already been three weeks without a truck. We are trying not to become impatient as we know that it is all in God’s timing. Meanwhile, I will have to depend on churches to transport some of their own scripture until this is settled. Thank you to the churches who have mentioned the finances to help with trailer repairs and truck replacement.

As most of you are aware, November and December is our annual “Paper Drive” campaign. The paper fund has basically been depleted with the printing of 520,000 scriptures in Chichewa and Tamil languages. We have also recently paid for shipping the container to Sri Lanka. We have two more upcoming shipments to pay for on October 18 for India and November 6 for Africa. Your support will not be wasted but will reach many souls for Christ.

Thank you for all your help in the WMBPS Ministry!

Dennis Deneau Update

It is good to be at our home church in Festus, MO, for a couple of weeks! We are excited for our Missions Conference. We love to be part of a Missions Conference, whether it is in our church or another church. Always, the conversation centers around getting the Word of God to the lost world, and that is exactly what we have been doing for the past 36 years! Raising money in hundreds, yea, thousands of churches across America to help missionaries have the Scriptures in whatever language they need so they can reach the lost with God’s precious Word wherever they are at! Amen! We are excited to have physically helped with loading the container of 300,000+ John-Romans in the Tamil language going to India, where there is such a hunger for the gospel.

We have been “on the road” and gone from Festus for six months, and some days it seems like a year! It is a time of rejoicing to reunite with our church family. God is so good to give us Christian family wherever we go. We were in many good churches on this last trip presenting the ministry and the needs; a few camp meetings where the preaching always challenges us and refreshes our spirits, and a couple of fantastic mission conferences! Praise the Lord. Continue to pray with us that several of these churches and folks will send monthly support for paper on which to print the Word of God. We must do all we can to “Stamp out Darkness” in this world while the doors remain open. The requests are always greater than we can meet, and that is a heartbreak for us.

God has given us several personal opportunities to share the gospel and the love of Christ for more than just a minute or two as we traveled this last trip. We have tried to be an encourager to the saved and the lost; pointing them all to the Saviour as the only help and answer to their problems. God is good, and can meet every need, whether it is Spiritual, emotional, physical, or mental. The Word of God has all the answers, but not everyone has the Word of God. I am constantly humbled by this verse, “...some have not the knowledge of God: I speak this to your [MY] shame.” There is always so much more that I can do.

Church Bible Publishers Update:

So many exciting things are happening at Church Bible Publishers! We have two new King James Bible styles that are in the printing process right now. Look for them on our website soon. (If you do not receive our MONTHLY update, please take a minute and click on the above “CBP Bibles” TAB and be sure to put your email address in so you will know what is coming next!)

We have had an overwhelming response to the Sermon Notebook and were pleased to know that so many folks are still WRITING notes! Amen! Several of our Bible styles that were temporarily out of stock (due to demand) are now back in stock, and one of our popular Bible styles—the Old Fashioned “Turquoise” text style of the Cambridge Bible is now available in Red letter.

We also have a couple of new books and expect to have a reprint of an old book that you won’t want to miss by the first part of December.

WHAT IS WORLD MISSIONS BEARING PRECIOUS SEED?

World Missions Bearing Precious Seed is a Scripture publishing ministry of Second Baptist Church in Festus, Missouri. We are an Independent Baptist printing ministry helping Independent Baptist Churches of like faith get the gospel to their missionaries around the world.

WMBPS has printed nearly 16 million Scripture portions and sent them to missionaries overseas and to struggling and/or new church plants here in the United States. We currently have 32 seedline churches that help to make this possible.

WHAT IS A SEEDLINE CHURCH?

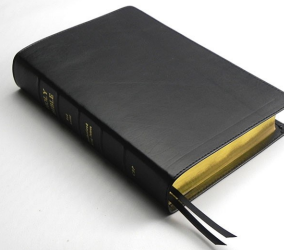

WMBPS Seedline is a local church who has hands on involvement with publishing the Word of God. This is made possible by taking the printed page, collating it, placing the cover on the Scripture, stapling it, cutting the Scripture and boxing them for the mission field.

This ministry is easy, enjoyable and a great opportunity to involve the whole family. Young and old alike can get involved in this "hands-on" ministry. It's a time of sweet fellowship as a church family!

Feel free to contact us if your church is interested in setting up a Seedline ministry for your church.

Love offerings and donations can be sent to Second Baptist Church, P.O. Box 88, Festus, MO 63028. Please make checks out to Second Baptist Church and write on the memo line whether the funds go to Samuel Martin or Dennis Deneau "paper fund" or "work fund".
