News From the Mission Field

We are very thankful for all those who prayed and gave to print and ship the container of scriptures into Ghana and Togo. Pastor Dare Olanrewaju Olujomoye had a group of men unload them from the container to his house two weeks ago. Today they transported two van loads of scripture to Missionary Pastor David Orus in Accra and then, they are headed to Lome', Togo with the French John and Romans. Praise the Lord!

The LORD gave the Word; great was the company of those who published it!

-Missionary James Ruckman, Africa

This container was shipped out of a Seedline Church, Maranatha Baptist Church, St. Robert, MO. We make an effort to witness to every truck driver. This truck driver already knew the Lord as his Saviour and participated in the prayer dedication. Praise the Lord!

Scripture Arrives in Southeast Asia

32,000 Thai and 297,000 English John and Romans was provided for Missionary Curtis Hall in Southeast Asia. This Scripture was shipped through B.E.S.T Missions (Bible Educational Services and Training) . More about their ministry can be seen at www.bestmissions.org.

This is 40,000 Thai John and Romans about to go out to the distribution center in Northern Thailand. Several churches up north have been working on a "Every Home with Scriptures" campaign. Please pray that the Word of God will affect these homes.

India Receives Another Container

We are excited to receive the news that the container of Scripture we shipped in October from our home church's missions conference at Second Baptist Church in Festus, MO arrived safely to Calvary Baptist Foundation in India. These Scriptures will be divided amongst many of the churches that Bro. Banuel helped start.

Please pray that many will come to know the Lord as their Saviour through receiving a copy of John and Romans. These contained the last of the personalized John and Romans with Bro. Banuel's information on them.

Note: Please know that we receive many updates from missionaries that we've sent Scripture to but due to their safety and security we do not post all updates.

PERSONALIZED JOHN & ROMANS

World Missions Bearing Precious Seed has, through seedline churches, been printing Scripture portions for churches and missionaries for many years. As the number of seedline churches grow so does our desire to help churches fulfill the great commission by providing personalized John & Romans.

More examples can be seen on our website at www.worldmissions.org

Please keep a lookout as we are adding additional examples to our website periodically. We can also design a cover from scratch to meet your church's needs.

Please contact us for more information on how you can get personalized John & Romans for your church outreach programs.

National Pastors Receive Whole Bibles

As part of WMBPS and Church Bible Publishers we help to provide whole study Bibles for English speaking national pastors. Some of these Bibles are donated while others are bought and given by churches and individuals who have given the money for these Bibles.

We had the privilege of sending 126 leather bound Church Bible Publishers Bibles as gifts to national pastors in Ghana. These were received in January along with French and English John and Romans and 1200 vinyl KJV Bibles.

Most national pastors cannot afford a Bible of their own. In some countries, it would take an entire year's wages to purchase even the cheapest of Bibles. If you or your church is interested in purchasing Bibles for national pastors please send checks to Second Baptist Church, PO Box 88, Festus, MO 63028 and note on the memo line "Bibles for Pastors".

Samuel Martin Update

Matthew 24:35 says, "Heaven and earth shall pass away, but my words shall not pass away". These words can also be found in the books of Mark and Luke. I believe that the words of the Lord mean what He says. Praise the Lord I have the privilege to be involved in an eternal work, printing HIS Word for people around the world.

The work continues on, and I'm happy to report that the Spanish, Telugu, and Tamil have left the press and we will be distributing them to the seedline churches as quickly as possible. This totals approximately 540,000 more Gospels being prepared for mission outreach!!!

The Parallel English and Chichewa Gospels for Zambia are almost complete. We have the loading of this container set for April 11 starting at 10:00 a.m. from Crossroads Baptist Church in Girard, KS. Please pray for good weather and many hands to load this container. As part of the loading, Crossroads Baptist Church will be hosting a "Focus on the Word" one day conference with preaching followed by lunch prior to the loading. I know everyone who attends will receive a blessing, as they witness the "company of those who publish it".

I have set another loading and shipping date of November 5 for the Tamil and some of the Telugu to India. This will be shipped from Gloster Baptist Church in Lawrenceville, Georgia. Our seedline churches from this area have well over half of the Scripture worked for this container.

Barbara and I have covered a lot of miles already this year. We are thankful for the safety God has provided. We usually spend a lot of the winter months in the South but this year has been a little unusual with meetings taking us all the way to South Dakota, Missouri, Mississippi and Georgia. The winter weather has certainly made our travels interesting with rain, ice and snow on nearly every trip! We are ready, as most of you probably are, for spring and summer to arrive and road conditions to improve.

We have been to some great churches this winter, some new and some supporting. Thank you again for your hospitality, great fellowship and generous love offerings. We have many more miles already planned for this spring in Texas, Kansas, Missouri, South Dakota, Ohio and Indiana. Please pray for our safety as we travel America's highways. It has been a pleasure doing the "Work" of the Lord!

**Thank you for your part in World Missions
Bearing Precious Seed!**

Dennis Deneau Update

We are praising the Lord for all that He is doing and has done with the World Missions Bearing Precious Seed ministry in the first few months of 2019. We have had a full schedule and have been in twenty-one churches since January 1st. God is good. He has given us mostly favorable weather in Texas and Louisiana and when it was not to favorable, we have seen His hand of protection!

God has given us several churches this winter with a genuine interest in reaching the lost around the world and have seen an increase in support for paper on a monthly basis. Praise the Lord! This allows us to foresee in advance paper purchases to meet the needs of the missionaries.

In January, we had nearly depleted our paper fund, buying two full semi- truck loads of paper and printing them with 294,000 Tamil John-Romans for India, 145,000 Telugu John-Romans for India, and 145,000 Illustrated Spanish gospels of John, which will mostly go into Mexico and Texas. Please pray for these countries and souls that will be receptive to the Word of God. Pray also has God refills the coffers and we will soon be able to repeat this process and print more Scriptures for other countries.

Church Bible Publishers has several new styles of Bibles available and a few of our Bibles are now available with a Water Buffalo cover! This has quickly become a very popular cover and comes in several colors. We will very soon be producing a Red-Letter Large Print Bible in both a regular margin and a Wide Margin. We have several new books available on our website as well. Some are reprints of tremendous OLD books, and others are books written recently that we felt were encouraging and worth the reading. We try to carry books that would be of benefit to nearly everyone. Check out our Church Bible Publishers website at ChurchKJV.com to see what's available and to sign up for our monthly newsletter with updates of new and upcoming items.

Thank you for the serious interest in our ministry and for wanting to help us get Scriptures around the World. Please keep us in your prayers and feel free to call or text anytime if I can help in any way. Cell-517-282-0836. We are excited about 2019, and although we have reached the ages of 71 and 72, I am asking the Lord to enable us to get more Scripture portions to missionaries this year than any of our 36 years in the ministry. For His Glory!

Thank you, also, for those of you that continue to pray for our health. I have had a serious case of acute bronchitis, and it hung on for a long time. I now have a Nebulizer, and it seems to keep me going. We are looking forward to Spring and maybe the improved weather will help. Lee is still having trouble with her back, in spite of all we do. She has been faithful with exercises, heat, ice and massage. We covet your continued prayers for wisdom as we desire to continue to serve the Lord faithfully and want to ship more Scripture to missionaries in 2019 than any of our previous 36 years in the ministry! WE PRAISE THE LORD for ALL HE allows us to do for HIM!

WHAT IS WORLD MISSIONS BEARING PRECIOUS SEED?

World Missions Bearing Precious Seed is a Scripture publishing ministry of Second Baptist Church in Festus, Missouri. We are an Independent Baptist printing ministry helping Independent Baptist Churches of like faith get the gospel to their missionaries around the world.

WMBPS has printed over 16 million Scripture portions and sent them to missionaries overseas and to struggling and/or new church plants here in the United States. We currently have 32 seedline churches that help to make this possible.

WHAT IS A SEEDLINE CHURCH?

WMBPS Seedline is a local church who has hands on involvement with publishing the Word of God. This is made possible by taking the printed page, collating it, placing the cover on the Scripture, stapling it, cutting the Scripture and boxing them for the mission field.

This ministry is easy, enjoyable and a great opportunity to involve the whole family. Young and old alike can get involved in this "hands-on" ministry. It's a time of sweet fellowship as a church family!

Feel free to contact us if your church is interested in setting up a seedline ministry for your church.

Truck Driver Receives New Bible!

You never know what a day will hold or what opportunities you may have to be a blessing to someone else. We had a semi truck arrive at Maranatha Baptist Church where we loaded 26 pallets of Thai and English John and Romans going to Missionary Curtis Hall in Southeast Asia. The gentleman in the picture was the truck driver. In the cab of his truck was an old Thompson Chain Reference Bible that was well worn. When asked if he would like a new Bible. His reply was, "I can't afford it that's why my Bible looks the way it does." I told him, "That's not what I asked" so I ran over to the RV where we keep our supply of Church Bible Publisher Bibles pulled out a brand new Thompson Chain Reference Bible and handed it to the truck driver. This gentleman knew his Bible, quoted Scripture and hands out John and Romans when he's on the road. He was so gracious! What a great day!
