CONTAINER SHIPMENT TO ZAMBIA

Our 65th container is on its way! 185,946 Chichewa/English parallel John and Romans, 180 whole English vinyl Bibles and approximately 93 whole leather English Bibles (whole Bibles provided by Church Bible Publishers) were loaded at Crossroads Baptist Church in Girard, Kansas for Missionary John Shrader in Zambia.

We had a great one-day conference as part of the loading and shipping of the container. Pastor Paul Rooks of Grace Baptist Tabernacle in Ft. Scott, Kansas and Pastor Mike Buckamneer of Crossroads Baptist Church in Girard, Kansas preached some great messages. Missionary Curtis Hall gave a great first-hand testimony of the Scripture we had given him for Southeast Asia earlier this year.

The ladies of Crossroads Baptist Church provided a wonderful lunch for all of those in attendance. We had a great number of seedline churches represented at the shipping.

Thank you Crossroads Baptist Church for hosting another great conference and thank you to all of our seedline churches for all the hard work that went into making this shipment possible!

Prior to the container shipment, six boxes of the Chichewa/English Parallel John and Romans were sent ahead of the container to Bro. Schrader as he was in great need of the Scripture. We were happy to see their excitement when the Scripture arrived.

A MESSAGE FROM OUR PASTOR

The greatest possessions that any person can have is a copy of God's Word. There is no end to what even one verse can do in the life of an individual. There is enough Gospel in the book of John to save the world and the book of Romans has enough doctrine to disciple them. If we can get them saved and disciplined with a copy of John and Romans then a copy of an entire Bible will bless them the rest of their life.

The ministry of World Missions Bearing Precious Seed has not only blessed the lost who receive a copy of John and Romans, it has given many who put them together a new purpose to serve the Lord. Some who feel there is "nothing I can do because of an affliction" have learned that God can give them the ability to help create a Gospel of John and Romans and they love it. That in itself puts a spark of new life in the local church. I am so thankful for this ministry here at Second Baptist Church in Festus, MO. - Pastor James Waymire

WMBPS PERSONALIZED JOHN AND ROMANS

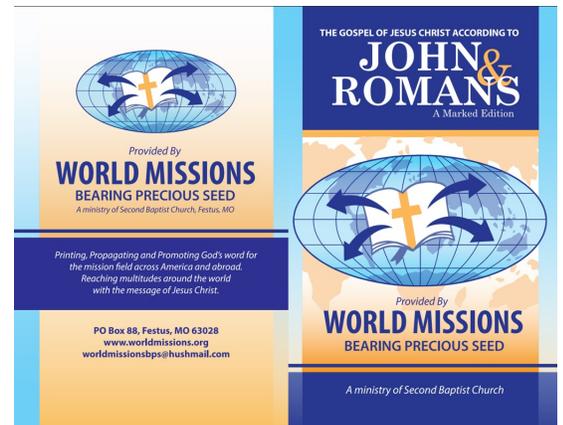

We are excited to finally have a John and Romans cover that represents the World Missions Bearing Precious Seed ministry.

We have sent thousands of English John and Romans around the world with a generic cover. We now have a cover that has information about our ministry.

World Missions Bearing Precious Seed has, through seedline churches, been printing Scripture portions for churches and missionaries for many years. As the number of seedline churches grow, so does their desire to help churches fulfill the great commission by providing personalized John and Romans.

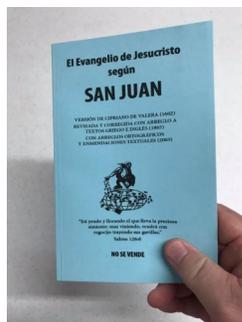

We also provide many other designs geared towards church ministries. A few are available to look at on our website at www.worldmissions.org

Please feel free to contact us for more information on how you may get these.

SEEDLINE UPDATE

Several months ago God provided our Bible publication ministry with a used glue binding machine. The machine was in need of repair and inoperable at the time. God allowed our director to resolve the issues and get the machine operational. We look forward to producing many glue bound Scriptures for distribution through World Missions Bearing Precious Seed. To God be the glory!

Samuel Martin Update

The Parallel English and Chichewa John and Romans for Zambia were shipped on April 11, 2019 from Crossroads Baptist Church in Girard, KS. This container is due to arrive in Zambia for Bro. John Shrader any day now. I know Bro. Shrader is very excited for the Scripture to arrive in country. This is the first time that the people of Zambia will have received parallel Scripture. Most will have never even seen Scripture in their very own language. I am very excited that we could do this project for Bro. Shrader. We are looking forward to hearing about the impact that these John and Romans will have throughout the villages in Zambia!

Two dates have been set for upcoming shipments. A container will be shipped on October 24th from Second Baptist Church as a part of our missions conference. A second container will be shipped on November 5th from Gloster Baptist Church in Lawrenceville, Georgia. Both of these shipments will contain Tamil and Telegu Scripture going to India.

We are so thankful for two new supporting churches for the paper fund! God has been faithful to provide for the printing of His Word.

In February 2019, I was at Bible Baptist Church in Brookings, SD for their Missions Conference. Back in October 2011 we shipped a container of Scripture to Bro. Yinka Fasinro in Nigeria. The church had talked with Bro. Fasinro as they knew he had a need for whole Bibles for the churches he has started in Nigeria. Bible Baptist Church requested assistance with getting hardback pew Bibles for this need. 3,840 whole Bibles were purchased by the church and are now awaiting shipment. Bro. Fasinro also has a real need for Sunday School material for all ages. If you have material you would like to donate please let me know and we will be glad to give you the mailing address for the location of the container.

We are currently working to raise funds for the printing of Thai John and Romans for Bro. Curtis Hall. \$12,000.00 has already been given towards this project. This is a four part Scripture which means additional costs. We need to raise another \$14,000.00 in order to purchase the paper needed for printing. The real blessing of this project is that we do not have to pay for the shipping. We will be sending the completed John and Romans to BEAMS warehouse in Gulfport, MS. Missionary Curtis Hall will be raising the funds to ship the container and for the customs and transportation fees.

Thank you for your prayers and support. Please continue to pray for us as we have a lot of miles to cover and a lot of work to be done in the coming months.

To God be the Glory!

Dennis Deneau Update

WORLD MISSIONS BEARING PRECIOUS SEED--Our last few months have been exciting! We now have FIVE new supporting churches, most of which are for paper. God knows our hearts and the desire we have to print more of the Word of God and give it freely to missionaries around the world! We PRAISE THE LORD for His Faithful Provisions! We look forward to being able to produce more Scriptures in the future.

I expect to soon be involved again in a printing project of Arabic Whole Bibles. We rejoice that the need is great and Arabic speaking souls are getting saved in America and around the world and NEED the WHOLE BIBLE in their language. America needs God. Arabic speaking people need God and, especially in America, are actually open to the Truth of God's Word and we MUST provide the Truth for them to bring them out of darkness into light.

We (with other churches giving, praying, and helping with assembly) are also currently working on several other languages. Two pallets of Spanish John-Romans are completed and can soon be shipped to the border of Mexico to be taken in to help meet the need there. There is still a great hunger in Mexico for God's Truth. And, very often, when they get saved in Mexico, they get burdened for their own people, and desire to stay there and help spread the Word of God to others! Amen!

CHURCH BIBLE PUBLISHERS--After more than 30 years of preserving the King James Bible in top-quality leather, I praise the Lord when we find churches that have never seen these Bibles. It is a blessing to be able to share our ministries with them and allow them the opportunity to see, touch, and smell the leather and then get beautiful Bibles for themselves at the cost of production. Please share our website that others may know. Church Bible Publishers (ChurchKJV.com). Be sure to check out our new items and styles.

PERSONAL--We praise the Lord for the health He has given us as we travel for Him. We have both seen doctors in Michigan in the last week for all of our routine checkups and so far, we have received good reports. We have been able to attend our granddaughter's graduation, and soon another granddaughter's wedding. Thank you for all of your love, your prayers and your faithful support. This is YOUR ministry, and we help you reach the lost around the world by sending the Scriptures. We have a full summer of meetings with lots of travel. God is good.

Bearing the Precious Seed,

Bro Dennis Deneau

HOW CAN YOU HELP

WORLD MISSIONS BEARING PRECIOUS SEED?

Please pray for the extra funds needed to update and expand the ministry. We are in real need of a distribution center for storing Scripture waiting for distribution and shipping. We have been blessed with buildings provided to us over the past 18 years but the ministry has grown enough that we just cannot make-do anymore. We have outgrown the buildings we currently have, forcing us to store in multiple places such as a garage.

We are also in need of a small cargo trailer which would allow us to transport smaller loads of Scripture. This would cost approximately \$7,000.00.

We are always in need of funds for paper. It costs approximately 25 cents to get one John and Romans on the mission field. Coin offerings are a great way to raise paper money!

Feel free to contact us if you would like a representative to visit your church and present the ministry of WORLD MISSIONS BEARING PRECIOUS SEED.

We are a faith promise ministry providing scripture free of charge to missionaries, church planters and struggling churches both in the U.S. and Abroad as the Lord provides.

WHAT IS WORLD MISSIONS BEARING PRECIOUS SEED?

World Missions Bearing Precious Seed is a Scripture publishing ministry of Second Baptist Church in Festus, Missouri. We are an Independent Baptist printing ministry helping Independent Baptist Churches of like faith get the gospel to their missionaries around the world.

WMBPS has printed over 16 million Scripture portions and sent them to missionaries overseas and to struggling and/or new church plants here in the United States. We currently have 32 seedline churches that help to make this possible.

WHAT IS A SEEDLINE CHURCH?

WMBPS Seedline is a local church who has hands on involvement with publishing the Word of God. This is made possible by taking the printed page, collating it, placing the cover on the Scripture, stapling it, cutting the Scripture and boxing them for the mission field.

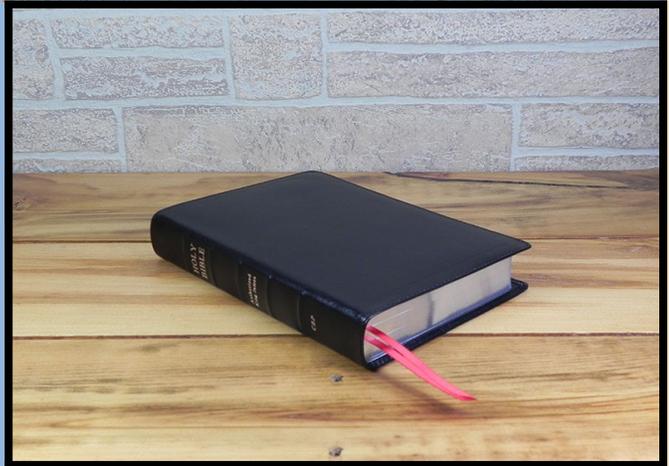

This ministry is easy, enjoyable and a great opportunity to involve the whole family. Young and old alike can get involved in this "hands-on" ministry. It's a time of sweet fellowship as a church family!

Feel free to contact us if your church is interested in setting up a seedline ministry for your church.
