## TWO CONTAINERS OF JOHN AND ROMANS SHIPPED TO INDIA

On October 24th a container was loaded with Tamil John and Romans from our home church, Second Baptist Church in Festus, MO as part of our mission's conference. We loaded 925 boxes containing 272,371 John and Romans. This made our 66th container that we've shipped since starting in the printing ministry nineteen years ago!

We thoroughly enjoyed the week with our home church family. We had a great conference and a wonderful time focusing on missions.

Container number 67 was loaded with 1,008 boxes containing 254,160 Tamil and Telegu John/Romans and 252,000 tracts. This container was loaded from Gloster Baptist Church in Lawrenceville, Georgia with the help of a couple other Georgia Seedline churches. This shipment was part of Gloster Baptist Church's one day conference focusing on the Word of God. It was such an exciting time for the people as this was the first container shipped from their church.

Not to often do you get a truck driver with a good spirit but this truck driver even jumped in to help load this container! What a tremendous blessing!

We also want to thank all the ladies of Gloster Baptist Church for the delicious meal they provided after the loading of the Scripture.

# GOOD NEWS CLUB

During our time in Georgia this Fall we had the privilege of helping Pastor Dean Head of Gloster Baptist Church in Lawrenceville, GA participate in their Good News Club in a couple of the public schools.

Pastor Dean Head and some of his family and church members played games, sang songs and shared the Gospel with the children. Afterwards, we were able to share our ministry with them. Many of the children had no idea what a missionary was but we were able to tell them about our ministry and show them pictures of what we do. We were able to share testimonies of the countries we had been in and the languages we have printed Scripture for. We then gave each child a copy of John and Romans to take home and share with their families.

Pastor Head mentioned that they have had some of the children come to know the Lord as their Saviour as a result of the Good News Club. We can't help but imagine what these kids could do if they would go on to faithfully

serve the Lord. The schools are filled with such a large diversity of ethnic groups. Not only could these children reach their families, schools and communities for Christ but they could also go on to reach their own people in Mexico, Honduras, Venezuela, Dominican Republic, Korea and many other countries of the world.

It is certainly exciting that in the United States where the doors are quickly closing to the Gospel, there are still open doors. We just have to look for them. We each have open doors every day that no one else has. We just have to seek for open doors and opportunities to share the Gospel with those we come in contact with. And, just as we think the impossible, God can open doors to places we never imagined like a public school.

Colossians 4:2-4 Continue in prayer, and watch in the same with thanksgiving; Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ, for which I am also in bonds: That I may make it manifest, as I ought to speak.

## TESTIMONIES FROM THE MISSION FIELD

Bro. Martin Chilando from Zambia, Africa was at our home church in Festus, MO on November 27th. He gave a report on the ministry in Zambia and also preached the evening service. Bro. Chilando told the church about a specific call he received from a young man named

John in one of the colleges in Zambia. John insisted on talking to him personally and told Bro. Chilando that someone had given him a Gospel of John and Romans. John said that he had read it and wanted to know if it was truth. Bro. Chilando told him yes and agreed to meet with him and to answer any questions he had concerning the Scripture. After spending a couple hours with John, Bro. Chilando was able to lead him to the Lord. The amazing part of the story.....this man was an apprentice to be a Witch Doctor! What a story of how the Holy Spirit, at the right time, saved a man from an eternity in hell

Bro. Chilando said he personally knows of 136 souls who have received a Gospel of John and Romans and accepted Jesus Christ as their personal Lord and Saviour. Our church family enjoyed his personal testimony of what happens when God's Word is handed out to souls needing salvation. Many churches had a part in the Scripture container that was sent to Zambia last summer. Praise the Lord precious souls are being rescued from the depths of hell because someone cared enough to give, print, collate, staple, cut, box and load the Scriptures for souls in need of the Gospel.

*"God's work done in God's way will never lack God's supply."*

**Samuel Martin Update:** Philippians 4:17 Not because I desire a gift: but I desire fruit that may abound to your account.

2019 was an exciting year. For the first time in the ministry we were able to ship the equivalent of 5 containers to meet the many requests for Scripture around the world. We sent three containers to Africa, and two to India this year containing over 1,220,000 Gospel of John and Romans. Along with the Gospels we shipped over 50,000 KJV whole Bibles. PRAISE THE LORD!!!

The printing of the first truckload of Thai Scripture is completed and as I am writing this letter, it is being delivered to Seedline churches. So many wonderful things have happened concerning the printing of the Thai Scripture. To begin with the paper cost was cheaper than recent loads we have purchased saving us a couple thousand dollars. Not only were we able to get the paper at a cheaper rate but I contacted a printing company from which I received a stapling and cutting machine from. I asked the for a quote for the printing of the Thai covers. This company came back with a quote that was cheaper than what I could print black ink on colored paper for. Praising the Lord for this savings and source for color covers! When I went to pick up the finished covers the owner of the company said that he would be willing to save us even more money on the next printing.

The second truckload of paper for Thai was delivered to the press on November 27th. The press will be printing this by the end of the year. Although it took a little longer than originally planned to get the Scripture printed, the process is progressing nicely. We will be contacting our Seedline churches soon and scheduling a time for pick-up or delivery of the Scriptures.

In addition to the Thai Gospel of John and Romans WMBPS is printing 20,000 Thai New Testaments which will be shipped with the John and Romans. A ministry in Indiana will be glue binding the New Testaments for us.

We have had the privilege to print nearly 4,000 personalized John and Romans recently for churches in the U.S. for special events dealing with First Responders and Christmas. If you haven't seen some of the personalized covers that we make available to churches, feel free to look at them on our website at [www.worldmissions.org](http://www.worldmissions.org).

Please prayerfully consider what you can give as an investment in souls for the Lord Jesus Christ this year, We sent out our annual "One Booklet, One Soul" fund raiser flyers to churches and supporters last month. This is a worthy ministry which is reaching the lost with the Gospel. Your dollars are being converted to priceless souls. Would you please consider giving a Christmas offering this year?

Thank you for your faithful support throughout 2019. We thank the Lord for such a great group of supporters. We pray that the Lord continues to bless and we may do even more in the coming year.

**Dennis Deneau Update:** We have just enjoyed a month of meetings in New Mexico. We were in mostly small churches, but all had a strong stand on the King James Bible, which makes our fellowshiping easier. We have met some real sweet folks that love the Lord and the Word of God. Many of these churches are interested in helping us raise paper money—for God's Glory! Often, the Lord would burden me to challenge folks to just give one extra dollar a week to missions. Almost every person could do that, by only giving up one specialty coffee or a large hamburger a month! So, if 10 faithful people in a church did that, it would give us an extra \$40 per month with which to buy paper to print Scriptures and donate to missionaries around the world. For \$40/month, we could print almost 5,000 John-Romans a year and many of the hungry souls receiving them could be saved. Think of what we could do if there were 100 faithful folks giving only \$1 extra per week to missions!

In Northwest New Mexico, we were in a long-standing church that was started by a man with a genuine burden to reach the Navajo people with the gospel. Many years ago, he went there, and folks got saved. Today, we saw over 100 faithful folks in that church on a Wednesday night. Most were Navajo and MANY were teen agers sold out to the work of the LORD! What a blessing and encouragement that was (after nearly 38 years in the ministry, when we see folks hungering to learn and to grow from the Word of God, it is still a fresh blessing!) Pray for them.

We were rejoicing to have had a part once again in the loading of a container of Scriptures to go to India. My, how the people there desire to read the Word of God and learn more about a God Who is still alive! And, too many folks around the world only have a statue to pray to, or false gods to worship. They need the Truth. They need the Word of God! And, just today, we met a Korean man that had worked with a missionary doctor for twelve years in Korea. He was excited about the idea of John-Romans and said his people need to hear the Bible.

We are thrilled with the progress in our Bible ministry (ChurchKJV.com). The demand for the Water Buffalo covers has been very overwhelming. And, now, we have them in a beautiful Black! Many people are realizing the quality, and want to make their personal Bible purchases very special, and well, PERSONAL. Check out our Build-A-Bible to make a Bible your very own unique copy. Or, how about a Portfolio Bible with a beautiful, permanent Portfolio cover? Or, the full Yapp Bible? Or, are you just partial to a Blue or Red cover? We can probably meet that desire as well.

Keep praying for our ministries. God is doing some amazing things. Pray that our health will hold and we can keep up with all the Lord is doing. Pray for safety as we have had a couple of "close calls" with cars turning in front of us, not realizing the weight we are pulling and our inability to "stop on a dime."

## HOW CAN YOU HELP

### WORLD MISSIONS BEARING PRECIOUS

Please pray for the extra funds needed to update and expand the ministry. We are in real need of a distribution center for storing Scripture waiting for distribution and shipping. We have been blessed with buildings provided to us over the past 18 years but the ministry has grown enough that we just cannot make-do anymore. We have outgrown the buildings we currently have, forcing us to store in multiple places such as a garage.

We are rejoicing that the Lord has provided for the purchase of an 18' cargo trailer. This trailer will be a huge blessing for hauling smaller loads to seedline churches.

We are always in need of funds for paper. Would you or your church consider taking on the "Paper Fund" for regular monthly support. For as little as \$25.00 a month we can print another 100 John and Romans in about any language for the mission field.

Feel free to contact us if you would like a representative to visit your church and present the ministry of WORLD MISSIONS BEARING PRECIOUS SEED.

We are a faith promise ministry providing scripture free of charge to missionaries, church planters and struggling churches both in the U.S. and Abroad as the Lord provides.

### WHAT IS WORLD MISSIONS BEARING PRECIOUS SEED?

World Missions Bearing Precious Seed is a Scripture publishing ministry of Second Baptist Church in Festus, Missouri. We are an Independent Baptist printing ministry helping Independent Baptist Churches of like faith get the gospel to their missionaries around the world.

WMBPS has printed over 16 million Scripture portions and sent them to missionaries overseas and to struggling and/or new church plants here in the United States. We currently have 32 seedline churches that help to make this possible.

#### WHAT IS A SEEDLINE CHURCH?

WMBPS Seedline is a local church who has hands on involvement with publishing the Word of God. This is made possible by taking the printed page, collating it, placing the cover on the Scripture, stapling it, cutting the Scripture and boxing them for the mission field.

This ministry is easy, enjoyable and a great opportunity to involve the whole family. Young and old alike can get involved in this "hands-on" ministry. It's a time of sweet fellowship as a church family!

Feel free to contact us if your church is interested in setting up a seedline ministry for your church.
