Winter Report 2020

*Reaching Multitudes with the Gospel through the Printed Page*

## TWO MORE CONTAINERS ON THEIR WAY TO THAILAND

Two containers were loaded simultaneously from Seymour, Missouri and are now on their way to Thailand.

We want to thank Preach Evangelistic Ministries for allowing us to use their warehouse and the use of their loading docks and equipment to ship these two containers. They were a huge blessing today.

These two containers held 2,418 boxes, 418,048 Thai John and Romans and 52,290 Thai New Testaments for Missionary Curtis Hall and BEST Missions.

These Scriptures represented in one way or another World Missions Bearing Precious Seed, Bro. Curtis Hall and BEST Ministry, Bro Miles Wallis and Midwest Seedline Ministry, Bro Paul Pritchard and PREACH Evangelistic Ministries, and Bro Mike Petrocco and Lighthouse Baptist Press. What a blessing to see ministries pulling together for one common cause.

Please pray that the Scripture arrives safely. God already has a name on each of these Scriptures. We pray that many will come to know the Lord through the Printed Page.

## CONTAINER ARRIVES IN GHANA, AFRICA

We received word from Missionary James Ruckman the container we loaded in October from Eastside Baptist Church in Sioux Falls, SD arrived safely in Ghana, Africa. Bro. Ruckman shared a few of the pictures taken during the unloading of the container from the ship and in country.

This container held 253,955 English John and Romans along with 3,960 New Testaments, and 197 whole Bibles for national pastors.

## UPCOMING PROJECTS

*As a result of our "One Booklet, One Soul" campaign we are able fulfill a request for 1 million English John and Romans for missionary Curtis Hall and BEST Missions.*

*The first 600,000 signatures have already been picked up from the press, Sweet Springs Baptist Church in Huntsville, MO.*

*We have also picked up the first 400,000 covers from the printer with another 600,000 covers ordered. We are excited with the results of the Philippine cover posted to the right.*

*Please pray for us as we begin the distribution of this project to our Seedline churches. We are trusting that these Scriptures will be used*

*in a mighty way for the people of the Philippines.*

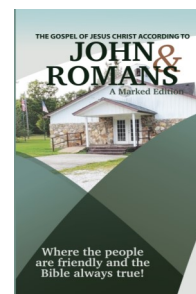

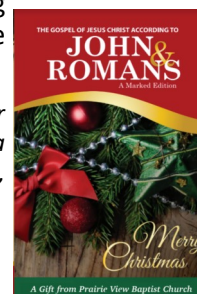

## PERSONALIZED JOHN AND ROMANS FOR AMERICA

We spent much of October through December working on last minute personalized John and Romans for here in the United States. We printed and shipped over 12,000 John and Romans during this time. These include churches working on special Christmas campaigns and church planting purposes.

Americans need the gospel more than ever. It's great to see a new burden for many pastors in the U.S. for handing out the Word of God. There are so many people living in fear and distress during this time of uncertainty and unrest. Christians have the message of Hope and Peace. It is our duty to share it.

*"Inside the Bible's pages lie all the answers to all of the problems man has ever known... It is my firm belief that the enduring values presented in its pages have a great meaning for each of us and for our nation. The Bible can touch our hearts, order our minds, and refresh our souls." – Ronald Reagan, Fortieth President*

## Samuel Martin Update:

Matt. 24:35 Heaven and earth shall pass away, but my words shall not pass away. Many have tried to get rid of God's word, but FAILED. I praise the Lord He allows me to print **His Word** and send to those in need and to those desiring to have a copy for themselves.

COVID has not only affected the world in health and job security but it has also caused chaos for overseas shipments. 2020 certainly had its difficulties for us in obtaining containers for shipping. Locking in dates with the shipping companies for loading was at its best, difficult. This resulted in time and time again delayed shipping dates and delays in cargo arriving in country on time.

We started off the New Year with the loading of two containers that were delayed in shipping from December 2020 due to shipping issues. I'm praying that 2021 will see six containers shipped to the mission field. This will help to fill requests for Thailand, the Philippines and Africa.

We are excited to report that our annual "One Booklet, One Soul" campaign was a tremendous success this year. The increase in funds received for paper and printing was above and beyond anything we expected. Thank you for responding so generously. As a result of paper prices dropping to the lowest price I have seen in my 20 years of ministry, we will be able to print all 1 million English Scripture and covers that has been requested for the Philippines. God has multiplied the amount we can do by lowering prices and increasing the number of churches working Scripture.

This past year we set up three new Seedline churches. We have two more churches to visit this month who will also become Seedline churches. This will give us a total of 40 Seedline churches throughout the U.S.

Over the last couple of years we've had the privilege of networking with other ministries of like mind which has allowed us to produce and distribute more Scripture (John and Romans and New Testaments) than ever before, both foreign and domestic. It's a blessing to work with these ministries which in turn has increased the number of scripture portions received on the mission fields.

There are three more containers of Thai Scripture left to work and ship. Only a few pallets of Thai signature are in the Bible Barn. Mid January I will start the distribution of English to seedline churches.

Please pray for Barb and I as we will be traveling this winter in the Midwest and Mid-Southern states. We have missions conferences to attend and distribution of the Thai and English Scripture to Seedline churches. Thank you in advance for all the prayers and support as we continue directing the World Missions BPS effort. It is a privilege to serve the Lord!

We want to say thank you for your faithful support of prayers, giving and laboring in this great ministry. We rejoice in God's goodness to us throughout 2020 and look forward to seeing His plan for us in the New Year. We know that He has **great** things in store.

## Dennis Deneau Update:

The year 2020 will be remembered throughout history as one of trials for many. We have certainly had that in our lives. BUT, that is not the emphasis of the year! To God be the Glory! We have seen Him do some amazing things ALL YEAR LONG! Yes, we had many meetings cancelled and had to come off of the road. But, God knew that I would have my heart attack and wanted me to be home when it happened. Yes, I had a heart attack, but God knew I would survive and feel better afterwards! He knew all of the things that we would go through this year, and He has been with us every step of the way! Yes, we are still in "snow country" awaiting the Lord's direction and desiring to be back in the churches presenting the ministry. Yet, we are following the Lord's direction and for now, He has chosen to let us continue with doctor's appointments, spending time on the phone, and communicating with preachers across the country. Praise the Lord for these men of God and the folks in their churches that have made our Scripture ministry what it is today for the salvation of souls around the world.

We cannot praise the Lord enough for how He has worked in the hearts of folks around the country to give money for paper on which to print the Word of God. Truly, this has been a phenomenal year. The Lord has sent in some "sort of expected" money (we never really "expect" things from God because they always come as an unexpected blessing) and we have received some truly amazing blessings from God's people around the country. Some folks and some very small churches have given money to print Scriptures out of their want. Mark 12:44. The results of the Covid pandemic on God's people has been amazing. We have seen the hearts of unsaved folks becoming more tender to the Word of God and we have seen saved folks becoming more interested in doing all they can to reach the lost world with the Word of God! We KNOW that God has allowed these trials in the lives of His people for His Glory!

Our Church Bible Publishers ministry has made great strides this year in the production of several new text styles. We have already had many great and wonderful reviews about the recently added Interleaved Bibles. With the great choices of covers, it has been meeting the needs of many folks and it is finding its way into pulpits and pews across America. I know many of you have been patiently waiting for the Thin Line Bible, as well. It is not a Copy Cat of another slim Bible, but is one that we anticipate will meet needs beyond expectations. With our many years of listening to our customers, and working directly "hands on" with every Bible we produce, we expect 2021 to be our best year ever. And, we look to donate an even greater amount of Whole Bibles to the Mission Field.

Please continue to stay involved in our Scripture portions ministry (WorldMissions.org) and our Leather Bible Production (ChurchKJV.com). THANK YOU for your love, prayers and support during 2020! May 2021 be even greater as we wait for the Lord's return. This could be the year.

## HOW CAN YOU HELP WORLD MISSIONS BEARING PRECIOUS

Please pray for traveling mercies as we spend a lot of time on the road attending meetings and distributing Scripture. We are also in need of funds to update and expand the ministry. We are in real need of a distribution center for storing Scripture waiting for distribution and shipping. We have been blessed with buildings provided to us over the past 18 years but the ministry has grown enough that we just cannot make-do anymore. We have outgrown the buildings we currently have, forcing us to store in multiple places such as a garage.

As always, we are in need of funds for paper. Would you or your church consider taking on the "Paper Fund" for regular monthly support? For as little as \$25.00 a month we can print another 100 John and Romans in almost any language for the mission field.

Thank you for your prayers and support!

Feel free to contact us if you would like a representative to visit your church and present the ministry of **WORLD MISSIONS BEARING PRECIOUS SEED.**

We are a faith promise ministry providing scripture free of charge to missionaries, church planters and struggling churches both in the U.S. and Abroad as the Lord provides.

### WHAT IS WORLD MISSIONS BEARING PRECIOUS SEED?

World Missions Bearing Precious Seed is a Scripture publishing ministry of Second Baptist Church in Festus, Missouri. We are an Independent Baptist printing ministry helping Independent Baptist Churches of like faith get the gospel to their missionaries around the world.

WMBPS has printed over 18 million Scripture portions and sent them to missionaries overseas and to struggling and/or new church plants here in the United States. We currently have 40 seedline churches that help to make this possible.

### WHAT IS A SEEDLINE CHURCH?

WMBPS Seedline is a local church who has hands on involvement with publishing the Word of God. This is made possible by taking the printed page, collating it, placing the cover on the Scripture, stapling it, cutting the Scripture and boxing them for the mission field.

This ministry is easy, enjoyable and a great opportunity to involve the whole family. Young and old alike can get involved in this "hands-on" ministry. It's a time of sweet fellowship as a church family!

Feel free to contact us if your church is interested in setting up a seedline ministry for your church.
