## CONTAINERS ARRIVE IN THAILAND

Two containers were loaded this winter on January 4th from Preach Evangelistic Ministries in Seymour, Missouri for Missionary Curtis Hall and BEST Ministries. These containers have now arrived safely in Thailand with a total of 418,048 Thai John and Romans and 25,000 Thai New Testaments. Bro. Miles Wallis of Midwest Seedline Ministries and his Pastor, Pastor Delbert Davis of Talking Rock Road Baptist Church were on hand to help load the containers. What a tremendous help these ministries were in getting the containers loaded in a timely manner.

These John and Romans and New Testaments are already being distributed to churches and being placed in the hands of the Thai people. What better gift to receive than God's Printed Word in their own language!

## THAI NEW TESTAMENTS

In between preaching services for the mission's conference in Hartford City, Indiana I traveled to Winona Lake, Indiana to meet Pastor Don Williams. I picked up the Thai New Testaments which Pastor Williams and the folks of Hope Baptist Church glue bound for us. These faithful workers glue bound a total of 25,000 New Testaments which were loaded in containers with the Thai John and Romans for Missionary Curtis Hall and BEST Ministries.

These New Testaments are already being placed in the hands of the Thai people.

Thank you Pastor Don Williams for your help in providing Scripture for Thailand!

## SCRIPTURE ASSEMBLY PROJECT, PACE, FLORIDA

Bro. Miles Wallis set up shop for two days the 5th and 6th of March at Grace Baptist Church in Pace, Florida. Bro. Curtis Hall joined Bro. Wallis and the pastor of Grace Baptist, Pastor Johnny Wildt where they had the privilege to be a part of a Scripture Assembly project. 31,000 John and Romans were collated, stapled, cut and boxed for the Philippines.

"The Lord gave the word: great was the company of those that published it." Psalm 68:11

What an incredible time they had preparing John and Romans for souls in South East Asia! They had 86 people show up to help collate, staple and cut these precious words of God.

## WELCOME CEDAR GROVE BAPTIST CHURCH

It's always exciting to get reports like this from a new Seedline Church!!

Cedar Grove Baptist Church in Newton, Mississippi had 55 people show up recently for their second work night.

We were able to spend a couple days with them in January to help set them up as a new Seedline Church. They were able to assemble approximately 3,500 John and Romans for Thailand.

Thank you Pastor Ryan Cozart and Cedar Grove Baptist Church for your help in the Scripture ministry. We are excited to have you partnering with us in the Scripture ministry.

Welcome Aboard Cedar Grove Baptist Church!

## WELCOME BLACKFORD BAPTIST TEMPLE

We were able to be a part of a tremendous mission's conference recently at Blackford Baptist Temple in Hartford City, Indiana. The Lord really spoke to our hearts through this conference.

As part of the conference we worked to set this church up as a new Seedline Church. It was great to see their excitement as we held their first work night. We are excited to be working with Pastor Johnny Crane and Blackford Baptist Church!

## WELCOME FIRST BAPTIST CHURCH

First Baptist Church in Edna, Kansas is our third new Seedline Church in just a matter of a few months. We had a wonderful time with Pastor Alan Kalgren and his church family. First Baptist Church is one of our first churches to start working on the Philippine project. They have a sweet group of people. We enjoyed a great time of fellowship as we spent a couple of days with them getting their seedline ministry up and running.

Welcome Aboard First Baptist Church!

## Samuel Martin Update:

We praise God for all He is allowing us to do in providing Scripture for lost souls around the world. We have seen thousands of Scripture put together and several containers being sent to the mission field in spite of the Pandemic. Thank God HE is in control of ALL things and not the world governments. We know that God allows our world leaders to be in position as Presidents, Prime Ministers, or even Kings and Queens, but the sin of the world is why these positions even exist.

There is one constant and that is Jesus Christ, King of Kings and Lord of Lords. HE NEVER CHANGES! So what are we as Christians supposed to do? Follow God's Word and command. His Word will never fail, never become void, never lie, or never be needed. Many times in history leadership has tried to irradicate the BIBLE but the BIBLE STILL STANDS! I'm so glad that I have HIS promises and He has called me to do World Missions Bearing Precious Seed for over 19 years now. During this time we have printed and sent over 18 million Gospel of John and Romans to 28 countries of the world. But this is only a portion of the need. There is still much more to be done!

We have been extremely busy since our last newsletter. With the help of many our Seedline churches, we have worked and sent three containers for Thailand. We have at least two more containers to send this year in order to complete this project of 1 million Thai John and Romans. I'm coordinating with BEST Ministries on the remaining Scripture shipments. It is wonderful to see the pictures that we receive from Thailand as they pass out the Scriptures. Check out our World Missions Bearing Precious Seed Facebook page to keep up with ministry updates.

We just completed the printing of 1 million English for the Philippines as our newest project. Thank you for giving funds last fall to make this project possible. It was such a blessing to be able to purchase five truck loads of paper as a part of our "Rolls for Souls" campaign. Due to the costs of paper prices going down we were able to purchase five truckloads of paper for the price of three. PRAISE THE LORD!

For our next project, Bro. Paul Prichard at PREACH Ministries has requested a container of French for Africa. If you would like to give towards this project it would be greatly appreciated. As I have mentioned before, many countries of the world don't have access to Bibles or even a portion of Scripture. This is the case for this particular project. As God provides we will supply.

In addition to the Gospels, we have been able to print several thousand New Testaments and whole Bibles. This was made possible due to Bro. Deneau's fund raising and the help of Church Bible Publishers.

We thank the Lord for your help in providing the Printed Word of God for the mission field. It truly is plenteous!

## Dennis Deneau Update:

We are excited that Spring is beginning to show forth around the country. We saw it showing evidence when we were in Texas a few weeks back and they were praising the Lord for sunshine and that all of their snow and power outages were gone! What a terrible winter many of them suffered this year! But God has blessed many of them in ways they could not have imagined.

We were excited to see the Spring flowers blooming in Missouri when we were there. It was a time of refreshing for us as well, seeing so much getting accomplished at the Church Camp and the Print Shop building. I know many of our church folks are ready to get back and start assembling the Word of God in the soon-to-be completed clean, comfortable area.

Now, we are in Michigan. There are still some piles of snow, and it will probably snow again, but for now, the sun is shining and it feels like Spring. So far, our doctors appointments have all gone well and we expect the rest to continue that way. God has been good to us, and we are anxious to return to Missouri.

The Arabic Whole Bibles are ready to go to press. The proof copy has been shipped and is waiting only to be looked over and approved before the actual printing begins. We could "see" the presses rolling on this printing of 5,000 of these (which will be about 500 cartons full) printed, and completed in the next few weeks and ready for shipment to hungry souls. PLEASE PRAY!

The proof copy for the upcoming 15,000 Telugu New Testaments will be ready soon as well, and those will be sent to Bible Baptist Church of Selma, Indiana where they will be collated and perfect bound and prepared for shipping. They have had a major financial part in this project as well. Their hearts have been in getting Telugu Scriptures into India for more than 40 years. God has blessed that. The first Scriptures we physically assembled were Telugu at that church nearly 40 years ago, and at that time, they were printed one sheet at a time, and it took considerable walking around a table to produce one John-Romans. God has multiplied the work of our hands through the use of large roll presses and enables us to get out more Scripture portions each year in many languages, for His Glory!

Continue to pray (and to give) as we strive to meet our goals for several MILLION copies of John-Romans being printed, assembled and shipped in 2021 to Africa (English and French) Philippines (English), Thailand (Thai), Mexico (Spanish), as well as meeting the requests for the personalized John-Romans here in churches in America.

Praise the Lord with us as we enter this Spring season and see more churches "opening up" and getting more involved in the things of the Lord, after our long "season of Covid." Many more churches are helping us assemble the Scriptures and we are seeing more hands-on participation and more donations for paper. Luke 8:11 reminds us that, "...The seed is the word of God." And Haggai 2:19 says, "Is the seed yet in the barn?..." Thank you to everyone that is helping us get the SEED out of the "barn" and into the hearts of people around the WORLD in 2021!

## HOW CAN YOU HELP WORLD MISSIONS BEARING PRECIOUS

Funds for paper is probably our biggest need! With nearly 40 Seedline Churches and a great demand for Scripture there is a constant need to raise money for purchasing paper.

For approximately fourteen cents a piece we can print one John and Romans in almost any language. For another ten cents we can get it on the mission field.

With summer just around the corner, it is a great opportunity to hold coin offerings for Jr. Church, Sunday Schools and Vacation Bible School. Loose change adds up a lot quicker than you think. We pick up a lot of coins on parking lots as we travel. Every one of those coins go towards the printing of John and Romans. Why don't you just see how much loose change you can find in your purse, in the car, and around the house. Then count it and let us know how many John and Romans we can print with the coins you just found!

Feel free to contact us if you would like a representative to visit your church and present the ministry of **WORLD MISSIONS BEARING PRECIOUS SEED.**

We are a faith promise ministry providing Scripture free of charge to missionaries, church planters and struggling churches both in the U.S. and Abroad as the Lord provides.

### WHAT IS WORLD MSSIONS BEARING PRECIOUS SEED?

World Missions Bearing Precious Seed is a Scripture publishing ministry of Second Baptist Church in Festus, Missouri. We are an Independent Baptist printing ministry helping Independent Baptist Churches of like faith get the gospel to their missionaries around the world.

WMBPS has printed over 18 million Scripture portions and sent them to missionaries overseas and to struggling and/or new church plants here in the United States. We currently have 40 seedline churches that help to make this possible.

#### WHAT IS A SEEDLINE CHURCH?

WMBPS Seedline is a local church who has hands on involvement with publishing the Word of God. This is made possible by taking the printed page, collating it, placing the cover on the Scripture, stapling it, cutting the Scripture and boxing them for the mission field.

This ministry is easy, enjoyable and a great opportunity to involve the whole family. Young and old alike can get involved in this "hands-on" ministry. It's a time of sweet fellowship as a church family!

Feel free to contact us if your church is interested in setting up a seedline ministry for your church.

## PERSONALIZED JOHN AND ROMANS

Personalized John and Romans are available upon request for soul winning and outreach purposes.

These John and Romans work great as a part of door hanger packets or personal evangelism when knocking doors.

Feel free to view additional examples on our website at [www.worldmissions.org](http://www.worldmissions.org) or give me a call at 573-433-6593 for additional information.

## SEEDLINE MAINTENANCE

As many of our Seedline Churches have finished the Thai project, now is a great time to do maintenance and cleanup.

- Please change the blades and mylar strips on your cutters to ensure clean cuts on the Scripture.
- Wax your cutter tables to prevent rust from accumulating on the Scripture.
- It's also a good time to clean your work stations and make sure your supplies are in stock such as boxes, staples, and tape.
- Check your staplers and make sure they are also in good running condition.

There should be a scheduled maintenance after every completion of a project.

We would also like to schedule a work day/night with each of our Seedline Churches starting late this Fall. It's been quite some time since we've been with some of you. We would love to spend some time with our workers and just make sure everything is running smoothly and you have everything you need. Please let us know when a good time would be for us to visit!
